

## Classroom Sets

### Teacher Request Form

This service allows sets of books and other appropriate materials to be checked out by teachers for use in classrooms. We may be limited on the number of items available, depending on the subject. When all materials are gathered you will be notified by telephone and email. The materials will be held for you on the Self Pick Up or Materials On Hold shelf. The items will stay on the hold shelf for six days. You may call 303-791-READ and ask to be connected with a children's librarian at your library to discuss suggestions.

**Two weeks advance notice is required for Classroom Sets.**
